

## TARC - Asphalt World song lyrics

V1:

Its a world of curbs

A world of streets

Its a place to park

And clear paths to meet

Theres so much that we share

Parking lots to the stairs

We love asphalt everywhere

Chorus:

Pot-holes filled and sidewalks paved

Man holes cleared and ADA

Concrete poured and seal to spray

Its an Asphalt World

V2:

There is just one call

And its very clear

TARC Construction Inc

They go far and near

In-dus-tri-al HOA

Corporate parks around the state

We love asphalt everywhere

Chorus:

Pot-holes filled and sidewalks paved

Man holes cleared and ADA

Concrete poured and seal to spray

Its an Asphalt World

One more time!

Arrows, lines and ramps to paint

Colored curbs to designate

Parking blocks and gutters shaped

Its an Asphalt World

Take it home!

Smoothest roads for HOAs

Everyone will say hurray!

Call TARC now and save the day

Its an Asphalt World
